Universal Floor and Wall Systems, Inc.
520 Ford Lane
Bartlett, IL 60103

To whom it may concern,

I am writing this letter in appreciation for the job your crew did on our garage floor. Greg Langager and his crew were extremely professional throughout the week they were here. My thanks to Bobby Sanchez, Dale Phillips, Jose Gomez, Carlos Manriquez, Larry Lambert, and Wayne Norris. They were all very efficient with their work and easy to work with. We are very pleased with the floor finish.

Sincerely,
Jason Martin
